Collect / Sort / Recycle

REGISTRATION & RECYLING CRITERIAS

Directions:
Please fill in all information requested on the front and back of this form. Please type or print neatly. The registration is starting November 30th, 2017 until December 15th, 2017.   **Registration Form MUST be completed and returned by December 15th, 2017.** Schools must submit your motivated goal and an objective for the 2017 Recycling Competition Program.

CRITERIAS

- Any school both public and private can register to participate in the Recycling Competition Program for 2018
- **Schools MUST register between November 30th and December 15th, 2017 to be eligible to participate in the contest.**
- **The recycling materials collected will include only aluminum cans, and plastic bottles (PET1 & PET2).**

 Look for this label on the bottle of the plastic bottles.

- Recyclables must be rinsed and free from heavy dirt and foreign materials.
- All Recyclables will be Tallied and Tabulated for the Competition.
- Registration Forms are available on the following locations:
    - AS-EPA Website www.epa.as.gov or Office, or call 633-2304.
    - GHC Reid & Company Office or call 699-1854.
    - Pago Pago Trading Company (PPTC) Office or call 699-7782.
- Measure of Recyclables: KEEP THEM SEPARATED! LEARN TO SORT!
    - Aluminum Cans → measure in pounds. You must achieve at least 1,000 pounds to qualify for Prizes.
    - Plastic Bottles (PET1 & PET2) → measure in pounds. You must achieve at least 500 pounds to qualify for Prizes.
- **ALL PRIZE WINNERS** will be announced upon the given date by the Committee.
